No#	Discussion	Action
1	<b>Business from previous Strategy Sessions</b> PEZ has decided to focus on holding permablitzes around Adelaide after discussion at strategy sessions held on January 20 <sup>th</sup> and February 6 <sup>th</sup> . Permablitzes will be the means for getting permaculture education out to the mainstream.	
2	<b>PEZ Permablitzes around Adelaide</b> Numerous possibilities for permablitz sites were discussed. It was decided that Atma's house would be blitzed in March, Eric's in May, and perhaps the 'patch' at the showgrounds site in June/July. This would be before the show in September, and perhaps be an opportunity to publicise PEZ's activities or hold a launch event for PEZ permablitz. It could be carried out with the help of market-goers on a Sunday to get community involvement.	Eric to send a PEZ permablitz promo blurb for the Urban Ecology newsletter.
3	<b>City Farm</b> Eric noted that Mark Parnell had shown interest in the City Farm project and wants to raise it in parliament. He has been sent copies of correspondence with other members of parliament.	
3	<b>Permablitz planning for Atma's place</b>	Atma will host a design meeting at 4pm on Feb. 28th
4	<b>Newsletter</b> Eric raised the idea of putting out a newsletter to the database, but there was not sufficient news to make it worthwhile.	
5	Meeting closed 7pm  <b>Next meeting: Thursday, March 17<sup>th</sup> 2011</b>  Note: Meetings are now held on the third Thursday of each month at the South West Community Centre (171 Sturt Street, Adelaide) from 6 pm until about 7pm. Meetings are followed by the committee meetings of the Permaculture Association of SA.
